## Podcast corner

ANEMO have also featured in a lot of podcasts. For those who don't know what a podcast is, it's a radio program that you can download from the Internet in MP3 format that you can listen to on a iPod or a PC. Again, there's a full up to date list of podcasts on our links page on the ANEMO website. Checkout the following recent podcasts:

## SPOTLIGHT ON...

*Kingsley*

**Job:** keyboard player and producer of ANEMO. Official drinker of tea.

**Starsign:** Virgo

**Fave bands:** PJ Harvey, Depeche Mode, Thomas Tallis (who is not a band, but a composer)

**Idea of perfect happiness:** Sitting on a wind swept beach on a fine day with a really strong cup of tea

**Pet hates:** That ridiculously whiny women in the Big Brother house. Use of the word 'innit'. Telephone helplines with endless menus like "press 2 to press 2 again"
